Ok - I'll verify whether or not that we have access to electricity at the current parking lot. If it has been shut off than we'll need to take the trolleys to the AltaSea warehouse and let them buff them out there (assuming that they have electricity inside the AltaSea Warehouse)....

Two more weeks, assuming we don't have rain. We're waiting for the wood to dry 97%.

Lorena,

Please keep me informed when you plan to have the trolleys refinished (wood work along with detailing them out) – I'm not 100% sure that we have electricity around there and I will have to double check beforehand...

Thanks,  
Augie
